DATE: October 26, 2020

RE: Upward Mobility Program On-line Registration Suspension

Effective October 30, 2020 at 5:00 p.m., the Upward Mobility Program On-line Registration System will be suspended until further notice.

UMP staff are working diligently to counsel the over 4,000 employees who have registered during the last enrollment period. The On-line Registration System will re-open upon the completion of this counseling cycle. You will receive notice when the suspension of the On-line Registration System is lifted.

If employees already have a bachelor's or master's degree, they can submit, without being registered in the Program, an UMP Promotional Application, UMP100B, for any dual or credential UMP target titles for which they think they are qualified. Copies of official transcripts must accompany the application. Submit by email to [CMS.UMP100@illinois.gov](mailto:CMS.UMP100@illinois.gov) or by mail to UMP, 1021 North Grand Ave. East, Springfield, IL 62702. The UMP100B and Targeted Job Title Descriptions and requirements are available for review at <http://www.cms.illinois.gov/ump>.

For questions or additional information, please contact:

UMP Hotline: 833-452-4836

Chris Goodman, AFSCME Coordinator: 217-788-2800 Ext. 3348
